ENGLISH TEACHING ACTIVITIES

Time seems to pass by so fleetingly. It feels as if we have just started this semester, and now we are reaching the end of another school year.

From the 8th – 19th July 2019 students will have the opportunity to attend an English Summer Camp. University students will come to our school to assist with the camp.

On Friday, the 31st May 2019 our English Corner ended. Teacher Jeanette loved spending quality time with our Grade 1 students. The students were always keen to learn new things, and their positive attitude made it a pleasure to teach them. Teacher Jeanette would also like to thank teacher Iris for being such a wonderful co-teacher.

The English Conversation Class was conducted in an informal way, so that the teachers could practice speaking English without feeling pressurized. Teacher Jeanette thoroughly enjoyed helping the staff, and she treasured every minute with them.

During Art classes the Grade 4 and Grade 5 students were introduced to the iconic works of Van Gogh and Munch. They had to draw and paint works of the artists. This enabled them to promote creativity, imagination and expressions. They learnt about understanding human behaviour. Both artists experienced many difficulties, and suffered tragedies in their lives. Teacher Jeanette emphasized how important happiness and gratefulness is in life.

Last but not least, we would like to wish the parents and students a wonderful SUMMER VACATION!
