ENGLISH TEACHING ACTIVITIES

In November, teacher Kwanda, a third English foreign teacher joined Qing-Pu elementary school. The kids will now get an opportunity to learn from an African English speaking teacher who is of African descent. Therefore, in the process they will be exposed to a totally different culture.

On the 7th December 2019, eight of our Grade 602 students participated in an English Reader Theatre Contest. The students practiced very hard, and we were very proud when our school won the competition out of 41 schools. A huge “THANK YOU” goes to teacher Elaine, Angel and Jeanette who helped the students.

Qing- Pu Elementary school forms part of the Bilingual Innovative Schools program in Taoyuan. On November 25th, 2019 teacher Jeanette and teacher Lily did a demo at the Taoyuan Municipal 108 School Year Bilingual and Innovative Open Class Event Guild, which was a great success!

Education remains an important feature in a child’s life. It therefore becomes the role of an educator to come up with innovative ways of engaging the learners and thus ensure a fun, educational and conducive environment for the learners to learn.
